ABOUT US

ONE SKY established in 2011, is a leading supplier of aluminum profiles committed to delivering a consistently high standard of service. We provide innovative solutions and reliable support designed to meet the most demanding requirements in installation and fabrication projects.

Backed by strong and sustained growth, One Sky is fully equipped with modern, well-maintained facilities, ensuring operational efficiency, product quality, and dependable performance for our clients.

MISSION

Our aim is to build strong, long-term partnerships with our clients while expanding the application and adoption of aluminum. We are committed to innovating aluminum solutions for future production and delivering sustainable, competitive returns as we grow our business.

VISION

After years of continuous growth, we are now a leading aluminum supplier, recognized for service excellence, strong credibility, superior quality, and fair pricing.

CORPORATE VALUE

We achieve our vision by instilling in all our people the values of integrity, initiative, loyalty, innovation, quality excellence, clients satisfaction and teamworks with discipline that shall keep us growing.
